

BOOST STATIC SINGLE SIDED WORKSTATION

Introducing the Rapidline Boost Static Single Sided Workstation, a reliable and stylish fixed-height desk tailored to complement the Boost+ range.

Engineered for functionality, durability, and a sleek aesthetic, it features an E0 Rated 25mm thick tabletop in Natural Oak or White with rigid edging, ensuring longevity and resistance to wear and tear. The 50mm D scallop cut-out at the rear facilitates convenient cable management, promoting workspace organisation.

The powder-coated underframe provides stability and a contemporary appearance, seamlessly blending with office decor.

Backed by a 10 year warranty, it guarantees quality and longevity.

Optional accessories, including a cable tray with power and data punchouts, ensure efficient connectivity, while a 30mm thick pinnable privacy screen enhances privacy and versatility.
